Gentlemen:

On the 18th of May we are planning a ceremony for the dedication of the bronzes of Susan B. Anthony and Thomas Paine. We are now addressing invitation envelopes for this event and find that we should like to send invitations to the history and sociology heads in Universities throughout the country. We note that you have such lists available, and also that you do not have these lists for sale. Will you, therefore, advise us whether you would be willing to address the envelopes for us, by hand, and return them to us for filling and mailing. These invitations should be addressed within two or three weeks at the latest, and the only way we would consider using your lists would be if the envelopes could be hand addressed, as we are doing ours.

The particular lists we are interested in are as follows:

History - Heads of Department
Your No. 15E4
Your count 327

Political Science - Heads of Department
Your No. 15G1
Your count 232

Sociology - Heads of Department
Your No. 15 II
Your count 267

Will you also be good enough to let us know the total expense which we would incur by the use of your lists, the addressing and returning to us, as indicated.

Your prompt response will be appreciated.

Sincerely yours,

Bertha L. Lyons (Mrs. N.)
